**PRE-AUTHORIZED PAYMENT FORM**

Advantages for Parishioners and our Church:

- Pre-authorized payments *reduce* time spent by Church staff processing weekly offerings, envelope orders and costs, and the Church's bookkeeping is streamlined. An accurate and more transparent record of the contributions are efficiently calculated for your yearly income tax return.
- Pre-authorized payments *enable* Parishioners to limit the amount of cash carried, and the chance of losing it.
- Parishioners on Church committees can initiate important projects ahead of time given that the amount of forthcoming funds will be better understood.
